

It's beginning to look a lot like Christmas!

Each class has a Christmas postbox outside of the classroom where cards can be posted. These will not be delivered to the children until they have quarantined in the box, please make sure your child has posted their cards by Monday 14th December so they can be handed out on Thursday 17th December.

We really wanted the children to be able to send good wishes to others in different classes who they may not get to see very often so we have mechanisms in place to make this happen.

Please can all children bring in a named plastic bag from home so that all artwork, Christmas cards and other belongings can go home in one delivery ahead of the holidays.

Village Christmas Card Competition:

Congratulations go to Ashton in Year 5 for winning the competition, her design was chosen for the village Christmas card - 400 cards will be printed for the village! Well done Ashton, this is a great achievement.

Runners up were Anya, Maddison, Darcy and Annabelle whose designs will also be printed on 200 cards. I am sure everyone around the village will really appreciate your efforts in spreading a little Christmas cheer.

Christmas Lunch - Sue Brady:

We are really pleased to be able to offer a traditional hot Christmas lunch for the children this year. KS1 children (Reception, Year 1 and 2) will be on Tuesday 15th December and KS2 (Years 3-6) will be on Thursday 17th December. **Please order on the Sue Brady website from Friday 4th December.**

It is really important that you are careful to order for the right day. It will need to be carefully managed at our end to make sure everyone is kept in the right bubble.
