

### Sponsored Readathon:

Thank you to those of you who have sent your sponsorship forms back into school - this is the last call for any you have at home. The winners from each class will be announced next week.

We are thrilled to have raised £1012.55 which will really help us provide additional reading resources at school.

### May Day Festival Day:

It was wonderful to see and hear the happiness and fun last Friday as the children were learning about May Day. These days are always really well-received and it is great to see them develop different practical skills as well as the knowledge of the festival. We had a lovely sharing assembly at the end of the day and look forward to showcasing the children's work in some new displays in school.

Thank you to Mrs Cooke for organising for the children to have seeds to plant wild flowers that will attract Bees as part of the BeeRoadzz Project. We hope you have been able to find a place to sow them to encourage bees to our village and the local area.

### Congratulations Owen:

We are very proud of Owen in Year 5 who has been highly commended for his entry into the Internet Safety competition run by SafetoNet. This was a competition all the children were encouraged to enter during lockdown as part of our ongoing work to make sure children know how to stay safe online. Well done Owen - you put Burbage Primary School on the map 😊
