

Wow what a wonderful week:

Thank you to everyone for all your efforts to be in the right place at the right time with the right things - there has been a lot to remember!

The children have achieved so much with your support. Three fabulous nativities from KS1 and a new Burbage tradition was made with our KS2 Carols by Candlelight event; thank you for all your positive comments, we are really pleased you enjoyed it so much. Our Preschool nativity was super special this year as the children performed on the big stage at school. We think the children did exceptionally well!

The children also enjoyed a lovely Christmas lunch on Wednesday after a fabulous Pantomime trip to see Cinderella. We all loved the special section all about Mr Evans 😊 (we are not sure he did!)

A really massive THANK YOU:

Our PTA are just amazing, most of you will only have experience of being at Burbage Primary School but we teachers know having been at other schools that the level of magic our PTA bring is exceptional!

The Christmas Fair raised an amazing £1380. This level of fundraising means the PTA can subsidise the Pantomime and the Christmas crackers for the children along with other larger projects for the school. We are so grateful to everyone who donated and attended this event.

We are so incredibly grateful for Chris Stewart and Hannah Henretty's hard work in setting up

'Elfridges' yesterday. This is such a special Burbage secret and really is one of my favourite moments of the year. It encourages such kindness as the children really enjoy shopping for their family. Thank you to you all for supporting your children by giving them money to spend.

The New Year - TEAMS:

We have everything crossed that schools will remain open in the new year. We are taking steps to ensure that should we need to switch to home learning, we can do that seamlessly as we have done before. The teachers have been asking the children if anyone has any trouble with their TEAMS account and we think we have resolved all issues. Please be in touch if this is not the case.

Reception parents will receive a log-in today which enables the children to have live sessions with their class teacher.

Inspiration Day:

Every year we like to hold two special days to ensure the children understand the true meaning of 'Inspiring and Nurturing Together' which underpins everything we strive to do at Burbage Primary School.

This year our 'inspiring day' will be on the first day back to school, Wednesday 5th January. The children will be working in their 'teams' to make a range of items that form part of our sustainability project.

Can you help us please?

Do you have any 'off-cuts' of decking / timber that could be used to make bug hotels? If you do, please can you leave them under our archway over the Christmas break ready to be used on our Inspiration day. We are also looking for moss and

twigs if you have any of you could collect some for us.

The Duke of Burbage:

Please encourage your child to complete their pledges for the Autumn Term as they will be moving on to a new challenge next term.

Christmas Jumper Day:

We raised £80.62 for Save the Children which is a brilliant amount.

A final reminder:

Please pick up your child directly from the church this afternoon at 2.30pm - we will walk any children left back to school afterwards.

Have you got a Christmas Tree yet?:

Our lovely tree which has been outside and is in great condition is going free to anyone who might like it. Please let the school office know today. It seems a pity to bin it!

Have a lovely break:

The staff at Burbage Primary School would like to wish you all a very Merry Christmas with your lovely children. Thank you for all the wonderful cards and gifts that have trickled into school this week, your generosity is much appreciated.

Burbage Primary School Newsletter 7- 17th December 2021

"Inspiring and Nurturing Together"

Dates for the diary:

Tuesday 4th January - TD day - no school for the children
